## December 8-12, 2025

### TERMS

Bulls are available for viewing at any time starting Dec. 1st. Bidding will begin on December 8th at 8:00 am MST. Bulls will start at the base price listed and bids will be accepted online until noon MST on Dec. 12th.

### BIDDING

Bids can be placed at [auctions.ktklivestockservices.com](https://www.ktklivestockservices.com). Register for a bidding number and bid online, or bidding can be placed by contacting Seth at 308-430-0705. Bidding will extend 5 minutes after each bid place in the last 5 minutes of the sale. Invoices will be sent to buyers by RECC at the conclusion of the sale.

*Rivers Edge Cattle has focused on real-world genetics and bull development. We firmly believe that genetics should be bred and developed to excel for commercial cattle producers in mind. We don't chase numbers, trends, or cattle meant for the show ring. We strive for functionality and maternal excellence while still understanding the value of the end product*

### DELIVERY OPTIONS

We traditionally winter the bulls through the following April and May. We will still offer that option but are offering \$300/hd discount for buyers wanting bulls delivered before Feb 15th.

### VOLUME DISCOUNTS

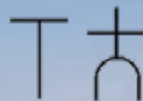

We are offering a volume discount again this year. Buyers purchasing 3 or more bulls will receive equal percent discount (5 bulls=5% discount) up to 7 head.

### BREEDING SOUNDNESS

BSE exams were done by Dr Joel Robbins DVM of Pioneer Animal Clinic. The bulls have been through a complete vaccination protocol. Lot 407 does need to be rechecked but is fully guaranteed. All others passed.

### FIRST BREEDING SEASON

Any bull selling for over \$6000 (after discounts are accounted for) will be guaranteed for the first breeding season. If a bull is deemed unusable, the buyer will be given credit for the purchase price minus the salvage value of the bull.
